

The Crossroads of Conflict: A Journey Into the Heart of Dispute Resolution, 2006, Ken Cloke, 0973439696, 9780973439694, Janis Publications, 2006

'The Crossroads of Conflict' simultaneously examines the secret sources of conflict, offers innovative practical techniques and strategies, presents examples from conflict resolution sessions where they were successfully and unsuccessfully applied, and presents a theory or hypothesis to explain how these components form part of an integrated whole, and why they are so effective. This combination of observation, analysis, technique, examples, stories, and theory provides the reader with a broad range of approaches to conflict resolution that emphasize the subtlety and complexity of conflict, including its physical, intellectual, emotional, spiritual, organizational, social and political aspects. 'The Crossroads of Conflict' shows readers how to develop techniques that lead to resolution, transformation, and transcendence. More deeply, 'The Crossroads of Conflict: A Journey into the Heart of Dispute Resolution' argues that all conflicts are catalysts for learning, evolution, growth, and wisdom. It shows how to locate the root sources of conflict and remove the barriers to reconciliation, collaboration, and community."--Publisher's website.
