

Very Classy: Be a Lady Not a Tramp, 2011, 320 pages, Derek Blasberg, 1595144382, 9781595144386, Razorbill, 2011

Derek Blasberg is back with more brilliant commentary on what makes a lady truly classy. With all the razor-sharp insights of Classy plus new, never-before-seen pages packed with Derek's signature wit and timeless tips, VeryClassy is the best - and the only - resource for the up-to-the minute, modern young woman. Today's fast-maturing youth culture is confounded by a whole slew of classy conundrums. Like, "Is a funeral an acceptable place to meet a guy?" (No, the point of a funeral is to ponder how someone has touched your life, not how you hope someone is going to touch you later that night). And, "Should I wear my Wonderbra to the gym?" (No! Gyms are for exercise, not cleavage.) Even if you're so confident, you've been attracting guys like a honey-dipped man magnet for years - VeryClassy still has something for you. This illustrated volume is packed with advice for the girl who doesn't want to be a Relationship Chameleon, the girl who understands that skinny fat is worse than just plain fat, and the girl who needs a little help discovering the silver lining of a hangover. Very Classy is the ultimate guide for discerning this generation's ladies from the tramps.
